1. Purpose

- 1.1 The Purpose of this Tuition Fee Refund, Cancellation and Compensation Policy is to provide guidance on when École de Management Appliqué (EMA) make refunds of tuition fees and consider paying compensation to students.

2. Policy Statement

- 2.1 **Responsibility:** Students are responsible for the payment of all tuition fees irrespective of whether they are self-funded or sponsored by a third party. However, fee liability is dependent on the timing and/or circumstances in which a student leaves École de Management Appliqué (EMA). There may be circumstances in which a student cancels (cancellation) their place or withdraws from their course of study. It is also possible that École de Management Appliqué (EMA) may terminate a student's place. A refund of tuition fees and/or compensation may be appropriate in certain circumstances.
- 2.2 **Continuation of Study:** École de Management Appliqué (EMA) acknowledges that it may not be possible to preserve continuity of study for one or more students such that a refund of fees and/or compensation might be appropriate.

3. Tuition Fee Refunds and Cancellation

- 3.1 **Eligibility:** École de Management Appliqué (EMA) will only consider claims for refund of any tuition fee paid where:
 - 3.1.1 A student withdraws from his or her course of study
 - 3.1.2 École de Management Appliqué (EMA) terminates a student's course of study
 - 3.1.3 A student has made an overpayment
- 3.2 **Cancellation:** As a consumer, you can withdraw from your course of study with École de Management Appliqué (EMA).
 - 3.2.1. **Before enrolment:** If you wish to cancel your place on a course you must notify École de Management Appliqué (EMA). Notification should be by email and/or letter to admissions@ema.education. Any fee that you have paid for the course which you have cancelled will be refunded to you minus an administration charge of €200.
 - 3.2.2. **After enrolment:** To cancel your place after commencing the course you will need to contact Student Records and your academic leads on campus. In such a case you will most likely not be eligible for a refund, though we will review any cases. You will need to return any course materials that École de Management Appliqué (EMA) has provided you with before departure, or you may be liable for additional charges.
- 3.3 **Tuition Fee Refunds:** The following refunds for any tuition fees paid will operate:
 - 3.3.1. Any fees paid will be refunded if a student for a place on a course is rejected by École de Management Appliqué (EMA).

- 3.3.2. Where a student's visa application is rejected by École de Management Appliqué's (EMA) visa team due to the omission of critical information, including but not limited to prior visa refusals or a criminal record, a refund of fees paid minus an administrative charge of €200 will be made.
- 3.3.3. Where a student has been refused a Schengen visa by the French Government representatives, a refund of fees paid minus an administration charge of €200 will be made. However, students won't be eligible for a refund if the visa application is refused due to the submission of fraudulent documentation.
- 3.3.4. Where a student is already in France but is refused a resident permit to remain by the French Government representatives, a refund of the proportion of fees remaining will be paid, minus an administration charge of €200 will be made. If the permit is refused due to fraudulent documents, the student won't be eligible for a refund.
- 3.3.5. Should you have already paid for your course and require a visa extension but do not have enough funds to apply, unfortunately, any fees paid will not be refunded.
- 3.3.6. Once a student has commenced their studies on a course, any fees paid will not be refunded.
- 3.3.7. In the event that École de Management Appliqué (EMA) terminates a student from their course of study, the student will be refunded a pro rata of the tuition fee paid taking account of the date of termination in the academic year. An administration charge of €200 will be levied.
- 3.3.8. If a student has initiated the visa process through Campus France, consulate, embassy or a consular service provider, any refund request will only be considered after the outcome of the visa application has been shared with École de Management Appliqué's (EMA) refunds and visas teams.
- 3.3.9. Once a student has obtained a visa, any fees paid will not be refunded.
- 3.3.10. If École de Management Appliqué (EMA) terminates a student's enrolment in their course of study, a pro-rata refund of the tuition fees paid will be issued, calculated based on the termination date within the academic year. An administrative charge of €200 will apply. No refund will be granted if the termination results from a no-show, poor attendance, academic misconduct, or any violation of École de Management Appliqué's (EMA) policies and contracts.

3.4 Payment of Refunded Tuition Fees: Refunds will only be made to the original payment source (for example, bank account). Refunds will not be made in cash. Where a tuition fee is paid by an external sponsor a refund will be made to that sponsor.

4. Overpayments

4.1 Any overpayment of tuition fees will be refunded to the original source.

5. Compensation

- 5.1 **Eligibility:** École de Management Appliqué (EMA) aims to ensure that the student learning experience is delivered and maintained at all times. École de Management Appliqué (EMA) will endeavor to mitigate the effects of any minor changes to course content or delivery. In the event of continuation of the study is disrupted, the École de Management Appliqué (EMA) will consider paying affected students' compensation to address consequential additional expenditures. Payment of compensation is subject to the provision of appropriate evidence that the additional expenditure has been incurred.
- 5.2 **Accommodation:** Where École de Management Appliqué (EMA) experiences teaching accommodation issues the same principle of ensuring delivery of teaching and learning according to the Student Handbook applies. Where a teaching building is not available for a period, for example, due to health and safety reasons, École de Management Appliqué (EMA) will either provide extra teaching sessions to catch up or find suitable temporary alternative accommodation should the building remain unavailable for an extended period.
- 5.3 **Relocation:** If École de Management Appliqué (EMA) moves location to different premises students will be consulted and account will be taken of any inconvenience likely to be caused. École de Management Appliqué (EMA) will, if appropriate, consider compensating students affected for consequential costs such as additional expenditure on transport.
- 5.4 **Continuation of Study:** If École de Management Appliqué (EMA) is unable to preserve the continuation of study, it would consider compensating students affected with consequential costs such as additional maintenance costs and lost time. Compensation for loss of time may include the value of any increase in fees incurred as the result of the delay. Any compensation would be based on the student producing objective evidence to demonstrate loss.
- 5.5 **Process:** Claims for compensation made by a student or group of students must be made in writing and will be considered by a Compensation Panel consisting of the Dean, Operations Manager and Director of Quality. The panel will adopt an evidence-based approach and deal with any claims made sympathetically. The Panel will also consider awarding compensation if a particular cohort of students or all students are affected by a significant disruption.
